The Solution?

Kyla Knyper

She created this situation
Staying strong-minded
With nothing to depend on except the small
sparks of
Happiness which rarely come around.
Slowly weakening the rest of her family.

Put into the world to be her sister's solution,
She matured with anger and guilt
She just wanted the ability to make her own
decisions,
Concerning her own body.

He lived an insecure life which led to rebellion
Living in isolation with no expectations.

In need of control and order
Expecting too much and not enough at the same
time
She feels punished
Challenged to keep one daughter alive and the
other happy.

He is always busy,
Keeping his distance.
He knows there is a real world and an ethereal
world out there
He escaped when there is too much chaos.
